

RESOLUTION NO. 201 1-128

A RESOLUTION OF THE LODI CITY COUNCIL  
ADOPTING THE CITY'S 2010 URBAN WATER  
MANAGEMENT PLAN UPDATE

=====

WHEREAS, several years ago, the California Legislature enacted Assembly Bill 797, and as subsequently amended, created Water Code Section 10610, et seq., known as the Urban Water Management Planning Act; and

WHEREAS, this Act requires the City of Lodi to review and update the Urban Water Management Plan every five years. The current update contains recently-revised guidelines for calculating water-reduction targets, which extended the submittal due date to August 1, 2011. This is the fifth update of Lodi's Urban Water Management Plan and was performed with the assistance of RMC Water and Environment. The adoption process requires a public hearing and adoption by Council; and

WHEREAS, the Urban Water Management Plan outlines Lodi's historical and projected population, water supply and demand, water shortage contingencies, and demand management measures implemented by the City. This plan also addresses water ~~use~~ reduction targets being required by the State for reductions of 15 percent by 2015 and 20 percent by 2020.

NOW, THEREFORE, BE IT RESOLVED that the Lodi City Council does hereby adopt the City of Lodi's 2010 Urban Water Management Plan Update on file in the Public Works Department.

Dated: August 3, 2011

=====
